The term of office as Commissioner shall commence on the day upon which he has taken the oath following his designation or election and shall end on the day on which his replacement as Commissioner takes the oath. Commissioners may be re-designated or run for re-election.

4.10 RESIGNATION OF COMMISSIONERS

A Commissioner may resign from this office upon giving notice in writing to the Chairperson and, unless a later date is stipulated in such notice, the resignation shall take effect thirty (30) days after the date of such notice or upon its earlier acceptance by the Chairperson.

Save for the position of Chairperson, within thirty (30) days following termination of office, the Council shall fill the vacant position for the unexpired portion of the term in such manner as it considers appropriate. The Council may consult for such purposes the council of the concerned Community.

4.13 CHAIRPERSON VACATES OFFICE

If during the concerned term of office, the Chairperson vacates his office for one of the reasons set out in section 4.11, the members of the Cree Nation shall elect from among themselves another person for the remainder of the term. This election shall be held at the date determined by the Council and in accordance with the procedures set out in the *By-law Respecting Procedures for the Election of the Chairperson of the Cree School Board*. If less than six (6) months remain in the term of office calculated at the date the election is held, the mandate of the person so elected shall extend both for the unexpired term of office and for a three (3) year term thereafter.

Any matter may be dealt with at regular meetings even if not mentioned in the notice calling such meeting.

4.15 SPECIAL MEETINGS

The Chairperson, the Director General or the Secretary-General may call a special meeting by notice in writing given at least two (2) days before the date fixed for such meeting. Only the matters mentioned in the notice calling such special meeting may be dealt with at such meeting unless all the Commissioners are present at such meeting and consent thereto.

Before proceeding at a special meeting, it must be ascertained and entered in the minutes of the meeting that the notice calling such meeting was properly given to the members of the Council not present at the opening of the meeting. If it appears that the notice calling the

meeting has not been given to the absent members, the special meeting shall be immediately terminated.

Two (2) Commissioners or fifty (50) electors may, by written notice, request the Chairperson or in his absence, the Secretary-General, to call a meeting of the Council. Should the Chairperson or the Secretary-General fail to call such meeting within ten (10) days after the receipt of such notice, any person who has given such notice may convene a meeting of the Council by registered letter addressed to each of the Commissioners and mailed at least ten (10) days before the date fixed for the meeting. Such notice must contain an agenda of the issue or issues for which this meeting is being so convened.

In the event of an emergency and notwithstanding the above notice requirements, the Commissioners may, if they all are in agreement, participate and vote at a special meeting by any means enabling all the Commissioners to communicate among themselves orally, such as by telephone or video-conference. They are then deemed to have attended the meeting.

The minutes of the meeting must mention the fact that the meeting was held with the aid of the means of communication indicated and that all the Commissioners agreed to such a meeting.

4.16 PUBLIC MEETINGS

Meetings of the Council shall be public. No person other than a Commissioner, the Director General and the Washaw Sibi and MoCreebec representatives may take part in the deliberations of the Council without permission from the Chairperson.

However, the Council may hold part of a meeting *in camera* in order to discuss any subject of a personal nature as well as :

- b) labour relations or employee negotiations;
- c) a matter that is in its preliminary stages and respecting which discussion in public could prejudice the Board's ability to carry out its activities or negotiations;
- d) the conduct of existing or anticipated legal proceedings;
- e) personal matters about an identifiable individual; or

- f) advice that is subject to solicitor-client privilege, including communications necessary for the purpose.

The decision to hold a or part of a meeting *in camera* shall be taken by resolution, which shall state the reason for holding the meeting or part thereof *in camera*. The general nature of the matter must be recorded in the minutes of the meeting. The vote on any decision taken as a result of discussions held during an *in camera* meeting shall be open to the public. The resolution setting out the decision shall protect the confidentiality of personal information.

4.17 ADJOURNMENT

Any regular or special meeting may be adjourned by the Council to another hour of the same day or to the immediately subsequent day without it being necessary to give notice of such adjournment to the absent members.

4.18 WAIVER

Unless otherwise provided by law, meetings of the Council may be held without previous notice if all Commissioners are present in person or sign a written waiver of notice of the time, place and purpose of the meeting.

4.19 QUORUM

The quorum for meetings of the Council shall consist of an absolute majority (fifty percent (50%) plus one (1)) of the Commissioners then in office.

Any properly called meeting of the Council at which a quorum is present shall be competent to exercise all or any of the authorities, powers and discretions of the Board vested in or exercisable by the Council generally.

4.20 VOTING

Subject to the provisions of this by-law dealing specifically with other voting requirements, questions properly arising at any meeting of the Council shall be decided by a majority of the votes of those present. Motions need not be seconded. In case of a tie-vote, the Chairperson shall have a casting vote in addition to any other vote which the Chairperson may be entitled to cast.

No one may be represented, nor exercise his right to vote by procuracy at a meeting of the Council. Votes are taken by a show of hands unless a Council member requests a vote by secret ballot. A declaration by the Chairperson to the effect that a resolution has been adopted or rejected and an inscription in the minutes to this effect shall be conclusive evidence thereof.

4.21 PARTICIPATION AND VOTING BY TELEPHONE OR VIDEOCONFERENCE

With the consent of a majority of the Commissioners physically present at a regular or special meeting of the Council, any Commissioner may take part in and vote at the meeting by any means enabling all participants to communicate among themselves orally, such as the telephone or videoconference.

This consent can only be validly given if the Commissioners physically present at the place where the meeting is held form a quorum and if the Chairperson is among those present.

The minutes of such a meeting shall indicate:

- a) that the meeting was held with the aid of the means of communication indicated;
- b) the name of every Commissioner physically present at the meeting, and the names of those having agreed to proceed in this way;
- c) the name of any Commissioner who took part in the meeting through that means of communication.

Any Commissioner participating in and voting at a meeting by such a means of communication is deemed to be present at the place where the meeting is held.

4.22 COMPENSATION AND EXPENSES

The Commissioners shall be entitled to receive the representation allowances provided pursuant to the Act and shall be reimbursed by the Board for all expenses when attending meetings of the Board in accordance with the applicable policies of the Board.

When a Commissioner (other than the Chairperson) attends meetings of the Council, the Board may reimburse the loss of wages due to his absence from work necessary to attend the meeting. Such reimbursement will be issued directly to the employer upon reception of an invoice and a copy of salary slip or cheque. A reimbursement may also be issued, in the same manner, for loss of wages when a Commissioner attends other educational events or events related to his functions, if pre-authorized by the Chairperson.

4.23 GENERAL POWERS OF THE COUNCIL

The Council shall manage and administer the affairs of the Board in all things and may make or cause to be made for the Board any contract and agreement (including the agreements contemplated by Section 16 of the JBNQA) which the Board may by law enter into and generally

may exercise all such powers and authorities and do all such acts and things as the Board by law or otherwise is authorized to exercise and to do.

Among other things, the Council shall adopt a yearly personnel plan for the Board as well as a yearly budget and a yearly education plan. Such personnel plan, budget and education plan may be modified from time to time by the Council. The personnel plan must indicate under separate headings the number of senior and management staff, non-teaching professional staff, teaching staff and support staff the Board is entitled to hire, as well as a breakdown of staffing by Community, distinguishing between school and regional office operations. The budget must indicate under separate headings the amounts allocated to each school and community which may be administered by the local Community Education Administrator in accordance with this By-law. The education plan must indicate the number of hours taught for each subject matter in each grade as well as the method of evaluation and promotion of students.

The Council shall also take the required decisions in accordance with the *Policy regarding the award of supply, services and construction contracts* when awarding supply contracts, service contracts and work contracts for the Board and request reports from the Director General, the Deputy Director General (Pedagogy), the Deputy Director General (Operations) and senior and management staff of the Board with respect to the implementation of the Policy.

The Council shall exercise the powers contemplated by Schedule 1 in respect of the application of the *Policy regarding the award of supply, services and construction contracts*.

The Council may in accordance with the Act and the By-laws of the Board establish and abolish such committees and positions and hire and discharge such persons as it may deem appropriate to carry out the objects of the Board pursuant to the direction and authority of the Board. The Council may also take all steps necessary or desirable to obtain funds and moneys for the said objects.

The Council shall also hire and appoint the Director General, the Deputy Director General (Pedagogy), the Deputy Director General (Operations) and the Secretary-General, and approve their promotion, re-assignment, transfer, leave of absence, demotion, suspension, placement on availability, cancellation or non-renewal of employment and dismissal, subject to the applicable by-laws concerning their working conditions.

5.09 PUBLIC MEETINGS

The meetings of the Executive Committee shall be public. However, the Executive Committee may hold part of a meeting *in camera* in order to discuss any subject of a personal nature, as well as :

result of discussions held during an *in camera* meeting shall be open to the public. The resolution setting out the decision shall protect the confidentiality of personal information.

There shall be established, by resolution of the Council, one Elementary School Committee for each community in which there is at least one (1) elementary school and, in addition, one High School Committee for each community in which there is at least one (1) high school. In those communities where a comprehensive school exists (combining elementary and secondary), the general assembly of Parents may decide to combine the Elementary and High School Committees into one single School Committee.

Each School Committee shall be composed of from five (5) to eleven (11) members and shall include:

The number of Parents in each School Committee shall be fixed by the general assembly of parents.

If the general assembly of parents so decides, one or more elders from the community may be appointed to the School Committee by this general assembly insofar as the total number of members of the said committee does not exceed eleven (11).

The local school principal and Community Education Administrator shall attend meetings of the School Committee. They shall not be entitled to vote.

Employees of the Board are not qualified to be members of a School Committee.

10.04 ELECTIONS BY GENERAL ASSEMBLY OF PARENTS

The Chairperson of the School Committee shall call a general assembly of the parents to take place on a date between August 1st and September 30th to elect the members of the School Committee for the following term of office. Elections must be held at least every three (3) years. Elections held beyond the time limits set out in this By-law shall be deemed to have been validly held if all the other formalities have been respected;

Notice of the general assembly must be given at least seven (7) days prior to the date set for the said assembly by a notice posted in each concerned school, in any other visible place within the concerned community, on the internet and on other digital media used by the Board. A copy of such notice shall be sent, in the same delay, to the Secretary-General, the local Community Education Administrator and the Commissioner representing the community;

The general assembly of the parents is presided by the local Community Education Administrator acting as the Election Chairperson. However, if the local Community Education Administrator is not able to act, the general assembly of the parents is temporarily presided by the Chairperson of the School Committee until such time the assembly appoints an Election Chairperson who must not be a candidate for membership in the School Committee. The procedure for the appointment of the Election Chairperson is the same as for the election of the School Committee members described below;

- a) A Parent present at the general assembly of parents may propose:
 - i) the number of Parents that should sit on the School Committee;
 - ii) if elders should sit on the School Committee and if so, how many and the manner by which they are appointed;
 - iii) in those Communities with comprehensive schools, whether or not the Elementary and High School Committees should be combined into one single School Committee.

The Parents present at the said general assembly then vote by a show of hands on the proposed items.

- b) A Parent present at the general assembly may propose a candidate to the office of School Committee member. If the number of candidates exceeds the number of seats available, the general assembly shall vote by secret ballot;
- c) Each Parent of a student attending a school under the jurisdiction of the School Committee, may vote for as many candidates as there are positions to fill, but

only one vote is counted for each Parent even if the Parent has more than one child attending the school;

- d) Parents who are not Cree members of the Community but who have a child registered in the school may vote at the general assembly of parents;
- e) The Election Chairperson shall declare elected the candidates who have obtained the greatest number of votes. In case of a tie between two (2) candidates, he shall have a casting vote;
- f) The Election Chairperson shall prepare a written report of the general assembly indicating the names of the candidates who have been elected to the School Committee and shall within fifteen (15) days of the said general assembly, send a copy of the report to the Secretary-General, the local Community Education Administrator and the Commissioner representing the Community;

When there are six (6) or more students attending the concerned school who normally reside in a Community other than that in which the school is situated, at least one (1) Parent representative of such students should be a member of the School Committee. The selection of this or these representative(s) is made as follows:

- a) the Community Education Administrator of the Community in which the concerned school is located shall inform the Community Education Administrator of the other Community of the requirement of appointing a Parent representative of the concerned students;
- b) the Community Education Administrator of the other Community shall then convene a meeting of the Parents of the concerned students to take place on a date between August 1st and September 30th of at least each third (3rd) year at which meeting the Parent representative shall be elected. For this purpose, the provisions of the previous section, adapted as required, shall apply;
- c) the Community Education Administrator of the other Community shall report in writing to the Community Education Administrator of the Community in which the concerned school is located of the results of this election. Such report shall also be forwarded to the the Secretary-General.

The fact that the Parents of these students from another community do not elect their representative to the School Committee as provided above does not foreclose the School Committee from conducting its meetings and operations and all things done by a School Committee in such circumstances are deemed valid for all intents and purposes.

10.06 TERM OF OFFICE

The elected members of the School Committee shall hold office for three (3) years. The mandate of School Committee members shall be renewable. An elected member of the School Committee remains in office even though his child may no longer be attending the school during his term.

The mandate of the member or delegate of the council of the Community shall terminate on August 1st of the third year following his election or appointment at which time such member or delegate of the council shall be reconfirmed in the position or replaced by the council of the Community.

Notwithstanding the foregoing, a School Committee member shall remain in office until the replacement is elected or appointed.

the member or delegate of the council of the Community, in which case the appointment shall be made within the same delay by the council of the Community.

10.08 CHAIRPERSON OF THE SCHOOL COMMITTEE

Within thirty (30) days following each election, the members of the School Committee shall hold their first meeting to choose their Chairperson. The local Commissioner may not be Chairperson. Within thirty (30) days of this first meeting, the new Chairperson must send a report of his appointment to the Secretary-General, the local Community Education Administrator and to the local Commissioner. This report may also be included in the report of the Election Chairperson referred to in section 10.04 hereof.

In case of absence or inability to act of the Chairperson of the School Committee, the members may choose his replacement from among themselves.

10.09 REGULAR MEETINGS OF THE SCHOOL COMMITTEES

A School Committee must determine the date, place and hour of its regular meetings as well as the methods and procedures of communication with the Parents. Meetings shall be held regularly at least once a month and shall be held in a school under its jurisdiction or in any other place in the Community determined by the School Committee.

No one other than its members may take part in the deliberations of a School Committee without permission of its Chairperson or of the School Committee itself; however, this provision does not apply to a Commissioner, officers, all senior staff of the Board at a director's level, the local school principal and the local Community Education Administrator.
