1) Requirements

Application

1.1. When professionals or support staff members must work overtime hours, they shall be paid in accordance with the terms of their respective collective agreement and within the framework of the provincial labour laws.

principle

It is the Policy of the Board to keep overtime work to a minimum and to promote as much as possible monetary compensation rather than compensatory leaves, in order to maintain the services to the school community.

Authorization

1.2. Only overtime hours explicitly and directly scheduled and approved by the immediate supervisor are considered legitimate overtime hours and can be paid under the terms and conditions in this Policy. All overtime must have prior approval of the employee's supervisor.

Emergencies

1.3. Employees who work overtime to contend with an emergency that affects the Board's operation must notify their immediate supervisor accordingly without delay. Unscheduled and unauthorized hours of work by staff at their own discretion or for personal reasons are not recognized and not paid as overtime under this Policy.

2) Compensation

Time off

2.1. The employee and his immediate supervisor shall agree when the leave as compensation for overtime may be taken, by considering namely the requirements of the department and service delivery.

When the employee and his immediate supervisor have agreed on the time when the leave may be taken but it cannot in fact be taken at the time agreed to, due

to the needs of the department or uncontrollable circumstances, overtime shall then, at the employee's choosing, be remunerated at the applicable rate or taken in time; in this latter case, the employee and his immediate supervisor should agree on the time when the leave may be taken.

When the claim for overtime is submitted to the supervisor, and the employee has chosen to take it as time off, the dates should be identified, but if this is not feasible, the employee shall inform his supervisor at least 5 days before the time he is intending to take as a leave in order to seek an agreement on the date(s) with his supervisor.

[Remuneration](#)

2.2. If within 60 days on which the overtime work was carried out, there was no agreement between the immediate supervisor and the employee on when the leave could be taken, overtime shall be remunerated according to the applicable rates.

8-3.05 (S8)

[Overtime claims](#)

2.3. Any overtime claims must be approved and submitted to Payroll with a copy to Human Resources within 30 days of their occurrence. Any overtime done in June must be claimed before June 30th and any claim submitted after this delay will be deemed forfeited.

8-3.09 (S8)

[No carry over](#)

2.4. A compensatory leave for overtime cannot be deferred from one work year to another except with the consent of the immediate supervisor who must then inform Human Resources before June 15th. Any overtime left in the bank as of June 30 will be paid to the employee.

8-3.05 (P3)

[Limitation / travel](#)

2.5. When an employee chooses a mean of transportation other than the most time effective mean available, the number of hours to be recognized as time worked cannot exceed what it would have been if they had used effective means of transportation.

[Limitation / Field trips and excursion](#)

2.6 When an employee accompanies students during a field trip or excursion involving overnight stays, a compensation may be recognized as time worked for hours done from 7 a.m. until his regular work day starts and for hours done after the end of his regular workday until 11:00 p.m.

3) Final provisions

[Sick leave](#)

3.1. Since time off in compensation of overtime must be planned and agreed upon with the supervisor, and considering its impact on other benefits (pension, etc.) the employee cannot use his overtime bank to compensate for a sick leave¹.

¹ Ex : if an employee has exhausted all his bank of sick days and is absent for that reason. In such case, the employee could however request a monetary compensation for his overtime, but he will be deemed absent from work.

4) Application of this Policy

[Other provisions](#) **4.1.** The present Policy replaces any other Policies of the Board pertaining to this subject, while respecting the Council of Commissioners Policies where applicable. If there is any conflict between this Policy and a collective agreement or any legislation, the latter shall prevail.

[Official version](#) **4.2.** The official version of this Policy is kept by the Secretary-General of the Board.

[Responsibility](#) **4.3.** Any person referred to in this Policy must abide by all its provisions and all managers of the School Board are responsible to ensure that all its provisions are applied and respected.
